Meditation is the dissolution of thoughts in eternal awareness or pure consciousness without objectification, knowing without thinking, merging finitude in infinity.

-Swami Sivananda

CAUTION: Uttati's essential oils are very potent and should never be taken internally. Although essential oils are used in minute quantities, some individuals may experience allergic reactions to them. To test, apply a minute amount to the skin on the top of the hand between the thumb and the index finger or to the skin just below the elbow. In the event of an adverse reaction, apply vegetal oil such as canola or olive, then wash with cold water.

Reading makes a full man, meditation a profound man, discourse a clear man.

-Benjamin Franklin

Since prehistoric times, humans found that the practice of meditation trains their mind and induces consciousness to realize multiple benefits. Civilizations used repetitive, rhythmic chants and offerings to appease the gods. Meditation has been linked with various favorable outcomes that include "Effective functioning, Academic performance, concentration, perceptual sensitivity, reaction time, memory, self control, clarity, calm...etc. Despite the broad spectrum of different practices by different cultures, civilizations and religions, to self regulate, focus and to train the attention and awareness to get beyond.
